I see...

such huge matter happened to Sou while we were away...

ふぅ...

It was tough on you.

A-ah, Kannazuki
H-how was it? Is it complete?
That's right.
I think it's done
We spent a lot of time at the beginning, but we found the technique immediately. Even when we did it continuously, we did not tired.
But as it continues, the feeling of the flesh reduces.
WOAH!!
IT'S NOT THAT! I AM NOT ASKING HOW YOU FEEL! I WANTED TO KNOW IF MY POWERS WERE USEFUL!
Karen, that's wrong.
Oh!
Haha

That...
But, we have been doing it continuously, I really hope you have a child!
Down it
continuously?!
It's only been a few days, how would I know?
Y-you're right...
I was too worried
EH? That's not it
I just thought that if you get pregnant on our first try, it would be a double anniversary, it would be great!
It is wonderful!
That means you are tired from doing it and you don't want to do it anymore?
You were so exhausted that your mind's gone.

Hisaya...
Even if you do not get pregnant, I still plan to date you
If it's like that, return quickly to your meaty body! Without that sensation, I feel something is missing!
Mmm, I got it. I will do my best.
ポンッ
Hey... someone bring them back to this world.
Impossible...
Sorry, I don't want to be kicked to death by a horse..
Annoying.
ガラッ
Do it yourself
I don't want to.
Please, it's really annoying

Oogami!
Hayate!
Morning everyone! It's been too long!
Actually it's only 3 days.
Our clan's matter has been settled and I can finally come to school.
So, I wanted to report to Sui.
Boss's absent for 3 days is gettin popular
That...
were they all right after that...?
Yes.

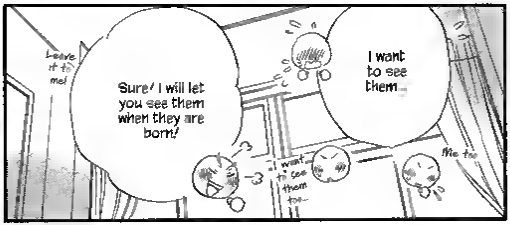
Didn't I tell you before about the incident where some male werewolves were fighting over a female werewolf?
Wah-
Wah-
Wah
Wah-
Even those who were trying to stop them, were dragged into the fight
No!
In the end, a lot of them were injured
But even if they were injured, no one felt unwell, so there are no problems at all!
In the first place werewolves have strong bodies.

A-ah, is that so...

Baby boom...
It would be great if the interviewees are continuously given birth~
Thanks to you, the amount of couples have increased. There could be a baby boom this coming autumn

Warm and fluffy
Woah

I think Karen's baby is better
Idiot!



I want to see them...
Sure! I will let you see them when they are born!
Leave it to me!
I want to see them too.
Me too

HEY WHAT ARE YOU DOING?!
Sniff
Hmm?
You smell different...?
Just a little...
Hmm?
EH?
That's right. After Sui used his powers on you, you ran away with him.
Though his appearance is different.
We're leaving Kitano?

Could it be that you are pregnant?
Yep it's how it smell like.
EHHH-HHHH-HH?!!

What rubbish are you spouting! Do not look down on a werewolf's sensitive nose!
It's master evil me!
WAIT A MINUTE. IS WHAT YOU SAID THE TRUTH? I WON'T LET YOU GO IF YOU CAUSE ME TO HAVE FALSE HOPE!
Hisaya...
Great! Now the vampire clan's future is bright!
Hisaya!
Karen-chan!
Are you all right ?
No! In the eyes of an immoral it's not! I hate having the vampire clan increase it's members
It hurts that woman!
Ahaha
You are right ♡
That's not it! It's brightly coloured!!
It's not the colour of the rose!
!!
Ha ha ha
And Karen's future is the colour of the rose!

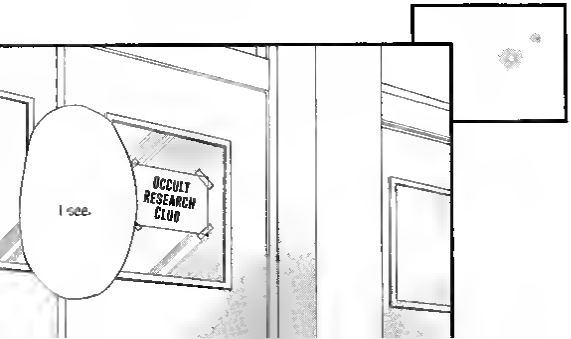
Seriously
I am fine but I can still feel the pain.
Hmm?
Hmm~?
Huh?
Hey, Sou! You smell different
Eh?

SOU IS NOT PREGNANT—!!
Who?!
Liar...
Sou is...
No way...
seems that someone is pregnant...
Eh...
Eh..pregnant?
Eh?
Who?
I heard something strange earlier...
Pregnant?

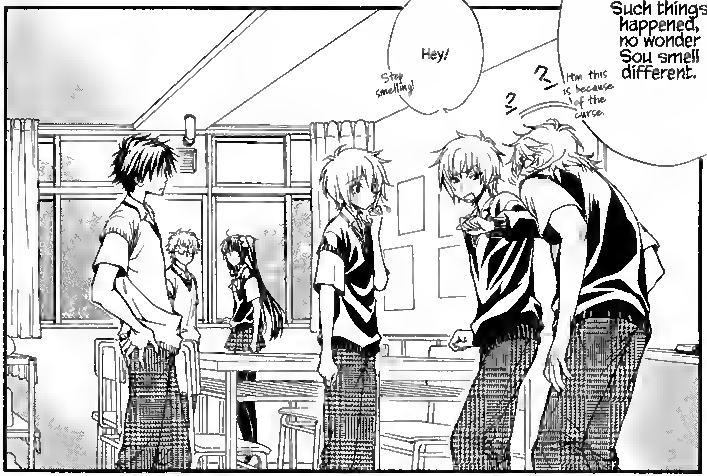
Oh!
The bell has rung, I don't think we should chat here, let's end the conversation here?
How about continuing it in the club room after school?
A good suggestion...
You are right...
Ok...
Ah
I'll let the president know
Let's do it that way
Let's disband temporary!
Oh
Ok
All right
Goodbye
What?
Sou..
Karen-chan, you have to be careful about your body from now on!
What a couple.
Idiot, I am not that weak!
But Thank you.

OF COURSE NOT!!
Huh?
アジ
You are.. not pregnant right?!
How can I get pregnant?
SFX. SERIOUS

Don't worry!
Definitely not!
I am not!
But



I see.
OCCULT RESEARCH CLUB

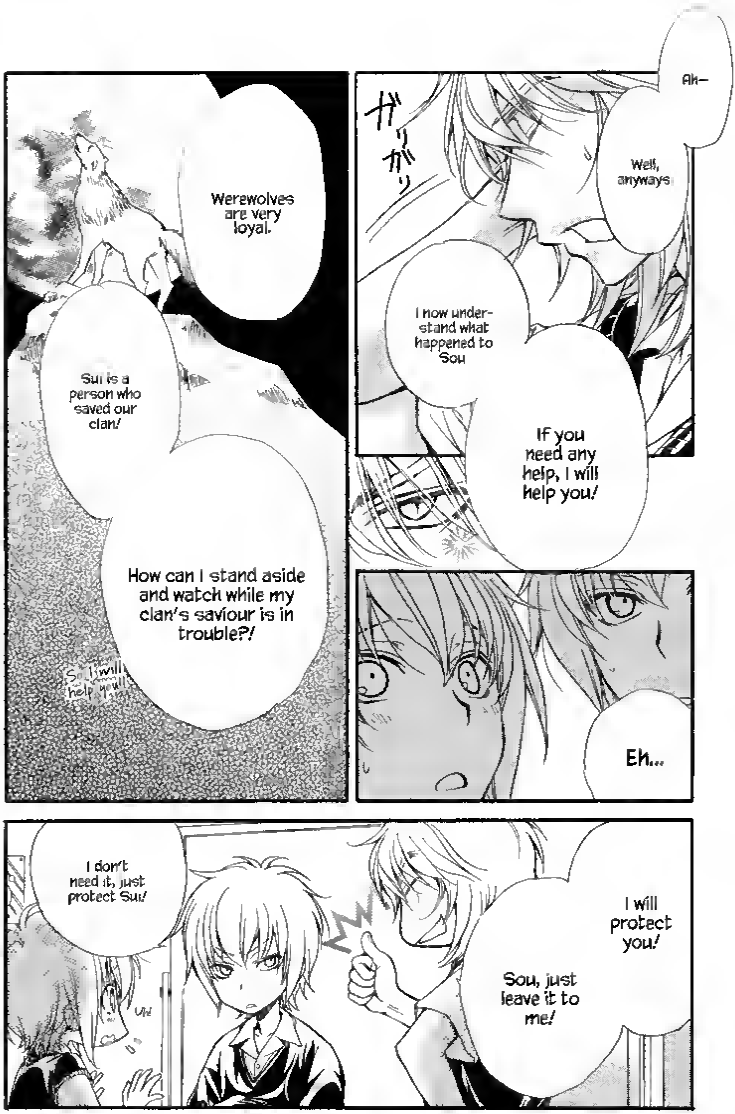


Such things happened, no wonder Sou smell different.
Hey!
Stop smelling!
How this is because of the curse
?
?

That's great. It's not because of pregnancy
Whisper
That's not the case
How are you still suspecting

ガラリ…
That must be caused by the pollution of the curse.
Some-times they do, in Sou's case it must be–
Excuse me ..
The curse has its own smell too?

Why did you come? I did not let you know.
I mean how do you know?
Everyone gathered without me. I feel lonely being alone! Weren't we friends?
HOW SUSPICIOUS...
The pollution unbalances the body and changes it.
Keiji!



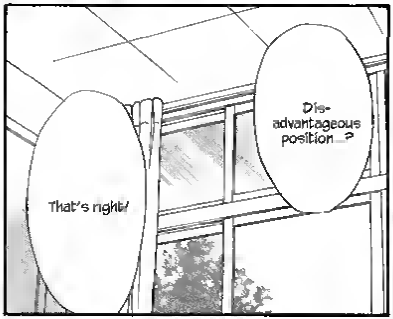
Werewolves are very loyal.
Sui is a person who saved our clan!
How can I stand aside and watch while my clan's saviour is in trouble?!
Sui, I will help you!
ガリガリ
Ah—
Well, anyways
I now understand what happened to Sou
If you need any help, I will help you!
Eh...
I don't need it, just protect Sui!
Uh
I will protect you!
Sou, just leave it to me!

Me!
ばっ
I want to participate too!!
Karen-chan?!
You can't, your body is not a normal one...
No! If it was useful to me, I want them to use their power to help other clan mates as well.
So to make them owe me one, I will help them!!
How straight forward...
I will join in as well...
.....
I under-stand...
It won't be good if I drag the rest, I will be supporting at the back... but at least we are still together...
They are starting again...
Hisaya...

Ah, of course I will help too.
That's right!
I don't think you are trustable...
Yeah
You,
are you serious?
It's not a lie right?
I feel unwell just thinking about it...
Or should I say it's an act?
This is an interesting scene.
Suspicious...
Ah..
Sorry
THE AMOUNT OF SUSPCIONS...
So cruel.

Because... even though you told us who the enemy is...
The dark type...
I feel that you are the same type of person.
True...
He is dark and is unable to endure if he doesn't know about something...
ぼそり...
I was curious so I went to the other world..
If this goes on, he will become our enemy..
It seems that he would smile and say "Sorry" when he helped the enemy...
WOW! AMAZING! IT SEEMS POSSIBLE!!
Yep.
It's possible!
You are right
EVEN MORE SUSPICIOUS GLARE
コホン
It is true that I am interested in their techniques...
I KNEW IT!!!

Even though I am interested
I won't do anything that will put me in a disadvantageous position!



Dis-advantageous position...?
That's right!

This guy planned to betray us!
Shouldn't we eliminate him now?
Since he plan to go to that side, why don't we finish this matter first before heading there~
Karen-chan is pregnant!
Keiji! Do you really plan to Fall so low?
Suzuicon is still suspicion we can't do anything until he does it...
Go and die!
EVERYONE PLEASE LISTEN TO ME!!

If I am in the Kunimi House, I don't have to do such things!
No matter the position, influence or money, one can get them easily. One can also control the Country while in the background!
It's too awesome!
The outer path walks the night route,
One cannot do anything flashy since he is a criminal!
They can't do anything in the open
It's troublesome!
How can I bare to throw something so good? It's impossible!!
Ah I understand now
He wants that
You are just making use of it
Oh that's so mm

Cough...
cough...
Hey, your condition is getting worse—
Let's act quickly!
I agree! We should handle it before it gets worse!
Not yet...
We must...
wait for the right time...
